Section 5 – Authorizations and Signatures

Pre-Authorized Debit (PAD) Authorization

If a pre-authorized payment is returned due to non-sufficient funds (NSF), BMO Life Assurance Company is authorized to retry the payment within ten (10) business days. The payor is responsible for any NSF charges incurred by their financial institution.

All payors must agree to all of the following terms in order to use the PAD payment option.

- BMO Life Assurance Company (Company) may make deductions, at any time, for regular recurring payments and/or one-time payments from time to time, from the bank account indicated in this application for insurance;
- For the purpose of this agreement, all pre-authorized debits will be treated as Personal under the Canadian Payments Association rules (this means having 90 calendar days from the date any payment is processed to claim reimbursement for any unauthorized payment);
- The withdrawal amount is considered to be variable under the Canadian Payment Association rules;
- Any notices to be sent under this agreement may be sent to the proposed owner/owner's most recent address that the Company has on record at the time the notice is sent;
- The Company may charge a fee and may cancel the PAD for any withdrawal that is not honoured;
- This authorization may be cancelled at any time upon the Company's receipt of written notice by the payor;
- Any cancellation of this pre-authorized withdrawal will not affect the agreement between them and the Company whatsoever with respect to any insurance coverage so long as payment is provided by an alternate acceptable method.
- All persons whose signatures are required to sign on this account have signed below, including any required joint account holder.
- To waive the requirement that BMO Life Assurance Company notify them of:
 - This authorization before the first payment is processed,
 - · Any subsequent payments, and
 - Any changes to the amount or date of the payment initiated by them or the Company.
- Payors have certain recourse rights in the event that a debit does not comply with this agreement. Payors have the right to receive reimbursement for any debit that is not authorized or is not consistent with this PAD agreement. Payors may obtain a sample cancellation form or more information on rights to cancel this Authorization by contacting their financial institution or by visiting payments.ca

Credit Card Authorization

Upon receipt of this form, BMO Insurance will request necessary authorization from the issuer of your credit card. If necessary authorization is obtained from the issuer, your account will be debited accordingly. Payment to BMO Insurance by the issuer pursuant to the above will constitute and represent "an amount paid" and, as such, is governed by the provisions of this Application for the policy number(s) mentioned in Section 1 above.
