Insufficient Funds and Overdrafts

Your Account is overdrawn when there is a negative balance that occurs when we pay an Item that you do not have Sufficient Available Funds in your Account to pay when the Item is presented for payment. The Account balance that we use to determine if your Account is overdrawn includes all Items (including bank fees and service charges) that are posted to your Account on the same Business Day whether the Items are paid or returned. In the Agreement, refer to Section 2.B for information on how we determine whether you have Sufficient Available Funds and Section 2.C for information on when Items post to your Account.

At our discretion, we may pay or return all Items that overdraw this Account. When we return an Item unpaid because your Account does not have Sufficient Available Funds, we don't charge a fee. When we pay an Item and your Account does not have Sufficient Available Funds, an Overdraft Fee may be charged.

Overdraft Fee	\$15 per Item (No more than three Overdraft Fees will be charged per Business Day)	You will be charged an Overdraft Fee for each Item we pay when your Account is overdrawn more than \$50 after all Items are posted to the Account.
