#### b. Unpaid Instruments:

- the amount of any Instrument cashed or negotiated by us for you or credited to your Account(s) (whether by means of deposits made by you or by payments received for you through electronic or other means)

for which payment is not received by us on a final irrevocable basis, or is reversed, in whole or in part, and whether or not such nonpayment or reversal complies with the rules of the Canadian Payments Association or other clearing organization for any reason (whether or not such Instruments were drawn on other accounts with us), and with the amount of any other of your indebtedness or liability to us and with any expenses incurred by us in connection with paying of a dishonoured or unpaid Instrument.

- Notwithstanding such charging, all rights and remedies of us against all parties are preserved. No charging of unpaid Instruments shall be deemed to be payment of such Instruments;

**c. Lost or Stolen Instruments:**

- the amount of any Instrument received by us for your Account(s) by way of deposit, discount, collection or otherwise if it is lost or stolen or otherwise disappears by any cause whatsoever other than our gross negligence;

**d. Costs of Compliance:**

- any costs we incur in order to comply with any request or order issued under a statutory or court authority for information, documents or action to be taken by us respecting your Account(s);

**e. For Account Operation and Services:**

- any reasonable service charges and fees for the operation of the Account(s) and for any services or any Business Bank Plan which you subscribe for and we may provide from time to time;

**f. For Taxes:**

- all amounts collectible by us as taxes on the supply, sale or other provision of our products or services; and

**g. Amounts Deposited in Error:**

- any amount deposited to your Account(s) in error by us (you acknowledge that you do not acquire rights to funds deposited into your Account(s) in error merely by virtue of the fact that such deposit has been made, regardless of the length of time the funds remain in the Account(s)). If sufficient funds are not available in your Account(s) for the foregoing, you agree to pay upon demand by us and will be liable to us for any such amounts owed including any overdraft, together with interest thereon at the interest rate charged by us from time to time for overdrafts.

## **6. Foreign Currency Transactions**

Except as otherwise provided by us, all Transactions in respect of your Account in a currency different than that of the Account will be converted by us to the currency of the Account at the exchange rate in use by us at the time the Transaction is processed.

Notwithstanding the above, any Instrument received for deposit to your Account in a currency other than that of the Account may be declined by us.

## **7. Compliance with Laws**

We may require deposits to comply in all respects with all applicable laws, rules, regulations and standards of the Bank and/or the Canadian Payments Association.

We may refuse to accept, honour, certify, pay or process Instruments which do not comply with all applicable laws, rules, regulations, requirements and standards. We will not be liable for such refusal.

## **8. Indemnity**

You agree to indemnify and save us harmless from all costs, charges, complaints, expenses, damages, liabilities, claims, actions and losses whether directly or indirectly incurred, sustained or suffered by us or you in connection with any Instruments; our enforcement of our rights hereunder, and the operation of any Account, including claims of any third party; for non-payment of any Instrument in accordance with instructions provided by you, including any stop payment instructions or nonacceptance of any Instrument or our dishonour, or refusal to certify Instruments; our acting, delaying in acting or declining to act upon any instructions received for Transactions including returning Instruments to other financial institutions for reimbursement under the rules of the Canadian Payments Association; and including, without limitation, legal costs and expenses (on a full indemnity basis) incurred by the Bank in connection with any of the foregoing. This indemnity is in addition to and not in substitution for any other indemnity that you have provided to us and survives termination of the operation of your Account.

## **9. Stop Payment**

Upon your request, we will, on a reasonable efforts basis, attempt to stop payment on a specified cheque, series of cheques, preauthorized debit or recurring payment. Such stop payment request is considered an instruction for a Transaction and may require you to execute additional documentation or provide further information. Any stop payment request you make for any pre-authorized debits should be in addition to,

and not in lieu of, a cancellation notice you provide to a payee. You acknowledge that a stop payment request may expire on the earlier of a date that is six months from the date of the initial stop payment request or six months from the date of a cheque, if known and provided by you. We are not able to stop payment on any Instrument which has already been presented for payment to us or which has been certified by us and we are not able to reverse any previously requested stop payment if the Instrument has already been dishonoured.

## **10. Limitation of Liability**

We are not responsible for confirming the accuracy of any information provided by you and are not responsible for any discrepancies between cheque numbers, serial numbers, amounts, payee names and other information provided.

We will not be responsible for or liable to you or any third party for any delay, damage, loss, liability, inconvenience or claim (other than any loss, liability or claim caused by our gross negligence or wilful misconduct) arising out of:

- any act or omission of any service organization or agent;

- any use of any communications networks, either private, public or otherwise, operated by a third party, in connection with any services provided by us;
- any errors resulting from incomplete or incorrect data received by us; or
- unless otherwise agreed to by us in writing, your communication of any confidential or other information to us by fax, or by other electronic means including electronic mail or if we communicate such information to you by these means at your request or as a reply to a communication sent to you over the same channel.

In no event will we be liable for direct or indirect, special or consequential damages including, but not limited to, loss of profit or other economic loss in connection with, or arising out of, our providing, or ceasing to provide services in respect of an Account.

## **11. Holding of Funds**

We may hold funds you deposit by cheque, or other non-cash deposits (money orders or drafts), for the time periods set out below prior to making them available to you for withdrawal.

For deposits of encoded Canadian dollar cheques, money orders and drafts for amounts \$1,500 or less, we may apply a hold for up to four (4) business days after the day of the deposit if it is deposited in person with an employee at a

branch. We may apply a hold for up to five (5) business days after the day of the deposit if it is deposited through any other manner, including an automated teller machine (ATM). Despite the above hold periods, during the first ninety (90) calendar days after you open your Account we may apply a hold for up to seven (7) business days after the day of the deposit.

For deposits of encoded Canadian dollar cheques, money orders and drafts for amounts greater than \$1,500, we may apply a hold for up to seven (7) business days after the day of the deposit if it is deposited in person with an employee at a branch. We may apply a hold for up to eight (8) business days after the day of the deposit if deposited through any other manner, including an ATM.

When you deposit a fully encoded U.S. dollar cheque drawn on a financial institution's branch located in Canada, we may apply a hold for a maximum of seven (7) business days, before you are able to access the funds.

When you deposit an un-encoded or partially encoded Canadian dollar or U.S. dollar cheque drawn on a financial institution's branch located in Canada, we may apply a hold for a maximum of fifteen (15) business days, before you are able to access the funds.

When you deposit a cheque drawn on a financial institution's branch located outside of Canada, or a fully encoded cheque in a currency other than Canadian dollars or U.S. dollars drawn on a financial institution's branch located in Canada, we may apply a hold for a maximum of thirty (30) business days, before you are able to access the funds.

A hold provides no guarantee that a cheque or other non-cash deposit will not be returned unpaid after the hold period has expired. If a cheque or other non-cash deposit is returned to us unpaid for any reason at any time, either during or after the expiry of the applicable hold period, we have the right to charge the amount of the cheque or non-cash deposit to your Account.

Notwithstanding the hold periods set out above, We may refuse to accept any cheque or other instrument or make available for withdrawal any funds deposited by cheque or other instrument for a period of up to 90 business days if we have reason to believe the deposit is being made for illegal or fraudulent purposes or we have other concerns about the account, cheque or instrument, including concerns regarding missing or multiple endorsements, stale-dated cheques or the image of the cheque in the case of deposits made using BMO Mobile Banking.

## Holds on Debit Card purchase Transactions

- For some debit card transactions, the transactions may not be posted to your Account right away. Therefore, we may apply a hold to your Account for the value of the transaction for up to seven days. The hold will be removed from the Account when the transaction is posted to your Account or at the expiry of the hold duration, whichever is shorter.
- For transactions processed on the Mastercard network, it may take up to 30 days to be posted to your Account. You must have sufficient funds in your Account when your transaction is posted to ensure your Account does not go into overdraft.

## **12. Processing and Verification by us**

Our records respecting the time of presentment, payment or dishonour of any Instrument shall be conclusive evidence of same.

Some Transactions may require you to execute additional documentation. In that case, we will advise you of additional steps/procedures that will be required. The timing of the processing of such Transactions may depend on you returning the necessary documentation to us.

Transactions or any update of records of Transactions made on a weekend or local, municipal, provincial, federal or territorial holiday may be processed by us on our next banking day in the affected jurisdiction.

We may require up to five business days to process transactions when you use your BMO Debit Card for Business to make a purchase online, or in-store when you are outside of Canada, that are processed through the Mastercard®\* network. A hold in the amount of the transaction will be applied to your Account on the transaction date. When the transaction is posted to your Account, the hold will be removed.

We may verify any communications or the source of a communication before we accept or act on them; however, we are not obligated to do so. We will not be responsible for any instructions or communications that are not accepted, or for delays in acting upon any instructions or communications. Our records will be conclusive evidence of your communications. We may tape record your verbal communications with us, and may inform you when we are doing so.

Any Transaction information that you may receive is solely for your convenience in keeping your banking records. In the event of any dispute as to the accuracy of any such information, our decision based upon our internal records will be conclusive and binding on you.

We may decline or delay acting on any instruction for any Transaction (including any postdated Transactions) for any reason, including but not limited to, if instructions are incomplete, ambiguous, or cannot be processed due to insufficient funds or otherwise, or if the authenticity or lawfulness of any instruction is doubted. You agree that instructions acted upon by us will, in the absence of our gross negligence or wilful misconduct, be conclusively deemed to be valid instructions given or made by you, whether or not authorized by you and whether or not accurately communicated or received.

We may report any improper or unauthorized activity that is in any way connected to the Account(s) to any law enforcement agency or credit reporting agency.

## **13. Account Statements (including eStatements) and Verification by you**

We shall provide to you, unless you instruct us not to, a statement of your Account together with cheques or cheque images and other Transaction information and documents for amounts charged to your Account. You will advise us promptly if the statement has not been received within ten (10) days of the date when it is normally received.

You understand that in the event we elect to provide cheque images to you that you will not receive the original cheques with the statement of your Account. We may destroy the original cheques at any time in our sole discretion.

You are responsible for reviewing and verifying the debit and credit entries to your Account, examining the cheques or cheque images and Transaction information and documents provided and determining their authenticity, and notifying us in writing of any errors, irregularities, omissions or any other objections to them or in respect of any other Transaction involving your Account (including, without limitation, if you become aware that an Instrument has forged signatures, has been altered, is a duplicate, is counterfeit or is otherwise unauthorized or fraudulent). You will provide your notice to us within the period (the "Review Period") which ends (i) thirty (30) days after the end of the period to which the statement relates, as shown on the statement, if you receive statements, or (ii) thirty (30) days after the date of the Transaction, in any other case.

Upon the expiry of any Review Period (except as to any alleged errors, irregularities, omissions, or other objections outlined on the notice provided to us within such Review Period) you are deemed to have accepted all statements and reports of Account information pertaining to such Review Period and generated by us with respect to the

Account as accurately reflecting all Transactions on the Account. Without limiting the foregoing, you acknowledge and agree that, after the expiry of any Review Period:

- (i) you have no claim that any cheques or any other payment instructions charged to the Account had forged signatures, were altered, were duplicated, were counterfeit or were for any reason unauthorized or fraudulent even if you or we did or did not verify the signature, instruction or authorization;
- (ii) all amounts charged to your Account that are properly charged to you include all interest and service charges, whether or not the statement discloses how interest and charges are calculated;
- (iii) it shall be conclusively settled, (subject to our right either during or after such Review Period to charge back items and amounts remitted to you for which payment has not been received or has been reversed, in whole or in part), that the relevant statement and the balance shown on it and reports of Account information pertaining to such Review Period and generated by us for the Account are correct and that the cheques or cheque images and other Transaction information and documents, and amounts, are authentic, authorized and properly charged to your Account; you are not entitled to be credited with any sum not credited to the Account in the relevant statement;
- (iv) you cannot claim that any entry on the relevant statement or posting during the relevant month, as applicable, is incorrect for any reason, and you will have no claim against us for reimbursement relating to any such entry or posting, as applicable, even if the instruction which resulted in the charge to your account was forged, unauthorized or fraudulent or was improperly charged for any other reason whatsoever, including our negligence; and
- (v) we will be released from any claim whatsoever relating to the statement of your Account and Transaction information and documents pertaining to such Review Period, whether for negligence, breach of contract, breach of trust, breach of fiduciary duty, conspiracy, unlawful interference or otherwise. We are not liable for any loss or claim arising from any breach by you or any third party of any fiduciary duty or trust in respect of the sums or dealings noted in the statements. Notwithstanding the foregoing, you shall notify us immediately if

- (vi) at any time prior to the expiry of the Review Period you become aware that an Instrument has been altered, is a duplicate or is otherwise fraudulent, or
- (vii) at any time you become aware of any unauthorized or forged endorsement on any Instrument.

## III. BMO Debit Card for Business and Telephone Banking/Online Banking

This section III contains the terms that apply to your use of the Card Service and Telephone Banking/Online Banking (certain features of which you may change by completion of the Agreement for Business Banking: Amendment Information or you may supplement by completion of an Online & Mobile Banking Service for Business Agreement and/or a Tax Payment and Filing Agreement). By applying for an Account to which the Card Service and/or Telephone Banking/Online Banking apply you agree to the following:

### 1. Scope

This section governs your use of:

- the Card(s);
- Terminals;
- Telephone Banking;
- Online Banking/Mobile Banking;
- point of sale/debit card terminals at locations which permit you to use your Card(s) to make direct payment transactions on the Account; and
- any other access channels or channels of communication which we may enable you to use, which may include stored value/cash cards or similar devices when available.

### 2. Cardholder Authorization and Acceptance of Instructions

You authorize and designate each Cardholder to use a Card and to have access to the Services on your behalf.

The Card authorizes the Cardholder to have access to the Services under all Accounts and any applicable Business Bank Plans.

You authorize us to accept, without further verification, and you agree to be liable for:

- all instructions of the type that we accept given by your Cardholder(s), using Telephone Banking/Online Banking, when those instructions are accompanied by the Card, Secret ID Code, or Card Number, as the case may be, for Transactions;
- all Transactions made/entered into by your Cardholder(s) and instructions given by your Cardholder(s) as if such Transactions had been entered into pursuant to written agreements between us and you or such instructions had been given to us by you in writing; and
- the accuracy and adequacy of all activity on the Service, including the designation of Account(s) linked to the Card(s) and the Services.

You agree that we may need the opportunity to verify and accept all instructions given to us by you through or by way of the Services.

### 3. Acceptance, Use of Card and Secret ID Codes

You acknowledge receipt of the Card(s). By accepting one or more Card(s) from us, you assume responsibility for the Card(s) and their use in accordance with this Agreement. The use of the Card and a Secret ID Code is required to access various services. Use of the Card or the Secret ID Code by you, by your Cardholder, or by any person with or without your consent or knowledge in connection with any Transaction, including loss/theft/misuse of a mobile device, careless handling of

mobile devices and sharing a registered mobile device, legally binds you and makes you responsible to the same extent and effect as if you had given signed, written instructions to us, unless you have previously notified us, in accordance with this Agreement, of the loss or theft of any Card or Secret ID Code or that the confidentiality of the Card Number or any Secret ID Code has been otherwise compromised by any means or that unauthorized use of Services may be occurring.

You will take all necessary steps, and will cause each Cardholder to take all necessary steps, to guard against theft, loss or fraudulent use of your Secret ID Codes and Card(s) (including Card Numbers) and you undertake to cause each Cardholder, as applicable:

- to select Secret ID Codes which are not based on easily discoverable combination of numbers, letters and/or symbols which comprise information about the Cardholder, their family members, associates, or your business;
- in respect of a particular Card, select a Secret ID Code for Telephone Banking/Online Banking that differs from the Secret ID Code used at Terminals and point-of-sale/debit card terminals;
- to keep each Secret ID Code confidential to the Cardholder;
- not to keep any record of a Secret ID Code in close proximity to, or with, any Card;
- to change a Secret ID Code as soon as possible after learning or suspecting that its secrecy has been compromised in any way; and
- to cooperate in a reasonable manner with us in the event of any investigation into the possible misuse or unauthorized use of a Card.

#### **4. Lost or Stolen Card**

You agree to notify, and to cause your Cardholder(s) to notify, us by telephone or in writing as soon as possible, but in any event, within twenty-four (24) hours of learning that either a Card or Secret ID Code has been lost or stolen or the confidentiality of a Card Number or Secret ID Code has been otherwise compromised by any means, except that this time period does not apply when there are exceptional circumstances preventing you from meeting it.

#### **5. Client Responsibility**

##### Authorized Transactions

You are responsible for the full amount of all authorized activity resulting from the use of the Card and/or Secret ID Codes or loss/theft/misuse of a mobile device, careless

handling of mobile devices and sharing a registered mobile device by any person including, but not limited to, your Cardholders. Careless handling of the Card and/or Secret ID Codes can result in serious financial losses.

##### Unauthorized Transactions

You will not be liable for any losses from unauthorized use of the Card or the Services due to circumstances beyond your control. These are situations where you could not have prevented and did not knowingly contribute to the unauthorized use and did not breach the provisions of this Agreement. Such circumstances include our errors, our gross negligence, technical problems or system malfunctions.

You may be liable for all losses from unauthorized use of the Card if you:

- knowingly contributed to its unauthorized use;
- used a PIN combination selected from your name, telephone number, date of birth, address, or Social Insurance Number;
- willingly disclosed the Secret ID Codes;
- did not keep the Secret ID Codes separate from the Card; or
- did not notify us by telephone or in writing within twenty-four (24) hours of learning that the Card or Secret ID Code was lost or stolen or that the confidentiality of a Card Number or Secret ID Codes was otherwise compromised by any means or that unauthorized use of Services may be occurring.

In those cases, your liability may exceed your Account balance, credit limit or any daily transaction limits.

##### In All Instances

You will not be liable for losses that occur after having notified us:

- of the loss, theft or misuse of the Card;
- that the Secret ID Codes were disclosed to or obtained by anyone else or may be known by anyone else; or
- that unauthorized use of Services may be occurring.

You will cooperate and assist in any investigation that we initiate into unauthorized use you report as a precondition to being reimbursed for any losses. This cooperation may include filing a report with law enforcement authorities.

We will not be liable to you or any third-party for any losses that you may incur as a result of your confidential or other information being released to or obtained by a third party due to the theft or loss of a Card, or due to your compromising the confidentiality of a Card or any Secret ID Code.

## **6. Return of Card; Card Non-Transferable**

Cards are not transferable and remain our property and, as such, may be cancelled and the privileges associated with them revoked by us at any time without prior notice to you or your Cardholder(s). Cards shall be surrendered to us upon demand.

## **7. Deposits at the Terminals**
