## LEGAL

- <sup>1</sup> You will earn 5 BMO Rewards points for every \$2 spent on eligible grocery and dining purchases, and recurring bill payments. The 5 BMO Rewards points includes the base earn rate of 1 BMO Rewards point for every \$2 spent on card purchases (“Base Rewards”) and the bonus of 4 BMO Rewards points for every \$2 spent on eligible grocery and dining purchases, and recurring bill payments (“Bonus Rewards”). To earn Bonus Rewards on grocery and dining purchases, your purchases must be made at merchant locations in Canada classified through the Visa network with a Merchant Category Code (“MCC”) that identifies them in the “grocery” or “dining” category. Recurring bill payments are defined as payments made on a monthly or regular basis, and which are automatically billed by the merchant to your BMO eclipse rise Visa card. Not all merchants offer recurring payments, and not all ongoing payments will be considered “recurring bill payments” and therefore may not earn Bonus Rewards. Please check with your merchant to see if your recurring payment qualifies. You will not earn Bonus Rewards on recurring bill payments that are also eligible grocery or dining purchases. The Bonus Rewards earn rate applies to the first \$5,000 in annual purchases in each Bonus Rewards category per BMO Rewards collector account, at merchants qualifying for the Bonus Rewards earn rate, which can be calculated from January 1st to December 31st each year. Once the combined cardholder spend on the BMO Rewards collector account exceeds this threshold, you will continue earning points at the Base Rewards earn rate of 1 point per \$2 in purchases. BMO Rewards points will be posted to the primary cardholder’s account, provided the Account is open and in good standing when the purchases are made and when the statement is issued.
  - <sup>2</sup> The Base Rewards earn rate for purchases at merchants not classified as grocery, dining or recurring bill payments in Canada is 1 BMO Rewards point per \$2 charged to the Account. For the Bonus Rewards earn rate, transactions made in the following categories won’t be eligible for this service: Money Transfer Agent/Wire Transfers, Financial Institutions-Manual cash disbursements, Financial Institutions- Automated cash disbursements, Non-Financial Institution – Foreign Currency/ Quasi-Cash, Dating or Escort Services, Truck Stop Transactions, Government-Owned Lottery (US Only), Government-Licensed On-Line Casinos (On-Line Gambling) – (US Only), Government-Licensed Horse/Dog Racing- (US Only), Betting including lottery, gaming, chips, track wagers, Political Organizations, Religious Organizations, Tax Payments, Merchants that have sale of counterfeit or trademark infringing products or services, Merchants that have sale of adult or mature content products or services.
  - <sup>3</sup> To qualify for the annual 2,500 BMO Rewards points bonus, eligible BMO eclipse rise Visa Card cardholders must pay their statement balance in full and on time each billing period for twelve (12) consecutive billing periods. The 2,500 BMO Rewards points bonus will be awarded once per year on the anniversary date of the Account to BMO eclipse rise Visa Card cardholders who meet the aforementioned requirement on an annual basis. Account must be in good standing. Please allow up to eight weeks for your bonus points to be awarded.
  - <sup>4</sup> To qualify for the annual 2,500 BMO Rewards points bonus, eligible BMO eclipse rise Visa Card cardholders must redeem a minimum of 12,000 BMO Rewards points in Pay with Points within a twelve (12) month period (period begins at Account open date). The 2,500 BMO Rewards points bonus will be awarded once per year on the anniversary date of the Account to BMO eclipse rise Visa Card cardholders who meet the aforementioned requirement on an annual basis. Account must be in good standing. Please allow up to eight weeks for your bonus points to be awarded.
  - <sup>5</sup> Pay with Points is available for eligible purchases only. Cardholders can visit [bmorewards.com](http://bmorewards.com) to redeem their points to cover transactions made in the last 30 days by the primary cardholder. The cardholder is required to have enough points for \$1 minimum redemption. To redeem your BMO Rewards points for travel, you can book through any travel provider of your choice using your primary BMO credit card and then use Pay with Points for your eligible travel purchases. To be eligible for Pay with Points travel redemption, your travel purchases must be made at merchants that are classified as: airlines, car rental agencies, hotels/resorts, cruise lines, vacation packages, eligible vacation rentals, passenger railways, timeshares, travel agencies and tour operators. Please refer to the Pay with Points section of [bmorewards.com](http://bmorewards.com) for extended Terms and Conditions.
  - <sup>6</sup> Installment plans give primary cardholders the ability to repay eligible purchase amounts in monthly payments over a defined repayment schedule subject to terms and conditions. Purchases or balances that you turn into installment plans count towards your available credit limit. You are eligible for one Free BMO PaySmart installment plan for an amount of \$100-\$1,000 every 24 months starting from the day you create your first free plan. If you cancel your plan, your next eligible date for one Free BMO PaySmart installment plan for an amount of \$100-\$1,000 will remain 24 months from the date you created the plan you are cancelling. If you cancel your card with a used Free BMO PaySmart installment plan, any new card account you open may not be eligible for one free BMO PaySmart installment plan of \$100-\$1,000 until 24 months from the day you created your first plan. Other conditions apply, please visit [bmo.com/paysmart](http://bmo.com/paysmart) for more details.
  - <sup>7</sup> Setting up an installment plan won’t impact your credit score, as long as you pay your minimum payment on time. When you set up a BMO PaySmart plan, we will not perform a credit check.
