With Zero Liability Protection, if someone uses your card without your authorization, you are not liable if:

- you did not contribute to the unauthorized use
- you used reasonable care to safeguard your card and Personal Identification Number (PIN), and
- you notified us immediately after you learned of the loss, theft or misuse of your card or cheques, or after you learned or suspected that someone else knows your PIN

If you don't meet these criteria, you will be liable for all charges incurred in connection with the unauthorized use.

Safeguarding the use of your PIN, card and account

You must keep your account secure. You must take reasonable care to safeguard your card, PIN, account information and cheques against loss, theft or misuse.

To safeguard your PIN:

- you must not voluntarily disclose your PIN
- you must keep your PIN confidential and separate from your card
- you must not write your PIN on your card
- you must not choose a PIN selected from your name, date of birth, telephone numbers, address or social insurance number

If you do not properly safeguard your PIN you may be liable for unauthorized transactions on your account.

When inputting your PIN into an ATM or point-of-sale terminal, telephone or computer in public areas, please take reasonable precautions, such as ensuring that no one is watching you by using your body or hand as a shield in order to conceal your PIN from the view of others.

We encourage you to be cautious of websites, online services, callers or other parties that pretend to be Bank of Montreal (or a subsidiary) that ask for this information or purport to bring together, summarize, aggregate or consolidate your financial data and other information that is currently available to you online.

You must notify us by telephone immediately if you learn of the loss, theft or misuse of your card or cheques, or if you know or suspect that someone else knows your PIN.

^{1B} Subject to the BMO VIPorter Terms and Conditions, VIPorter points are calculated based on purchases of goods or services charged to a BMO VIPorter Mastercard account, less any refunds or adjustments. Cash advances, cash-like transactions, interest charges, fees, payments, credit or debit adjustments and any amount other than purchases that may be charged to the account with the card, do not qualify for the issue of VIPorter points. We may establish other qualifying and non-qualifying transactions from time to time.

² Primary cardholders will receive one companion pass after spending a minimum of \$50,000 (less refunds and excluding cash advances, cash-like transactions, interest charges, fees, credit or debit adjustments) within the first 365 days after the account open date. The voucher will be available 4-6 weeks after the spend requirement has been met.

The companion pass allows a companion to accompany the primary cardholder at no extra base airfare cost, but does not apply to taxes, fees, charges and surcharges, which must be paid at the time of booking. The companion pass may only be used:

- A) on flights operated by Porter Airlines (Canada) Limited and Porter Airlines Inc.;
- B) if the additional passenger travelling with you is on the same itinerary; and
- C) at the time of purchase.

Companion Passes cannot be:

- A) applied to existing reservations; nor
- B) used for bookings for more than two passengers.

Maximum of one companion pass can be applied per booking. If one-way travel is booked, the companion pass will be deemed fully used and the return portion of travel will be forfeited. Valid for travel at any time with no blackout periods. Also valid against the purchase of fares on sale.

The companion pass is valid for 12 months from the date issued. The booking must be made before the pass expiry date, but travel may occur after the companion pass expiry date subject to flight schedule availability at the time of booking. Unused companion passes will automatically be cancelled on the date the card account is cancelled, regardless of reason for cancellation, or if the card account is changed to a different product.

⁹ Receive \$1 in Qualifying Spend toward your VIPorter Avid Traveller membership level for every \$25 (less refunds and excluding cash advances, cash-like transactions, interest charges, fees, credit or debit adjustments). Qualifying Spend will be credited to your account between 1-2 business days after your credit card monthly statement is prepared. For example, if your monthly statement is prepared on November 1, 2024 your Qualifying Spend will be credited by November 4, 2024 and will count towards your then-current Qualifying Spend balance. Your Qualifying Spend is calculated by taking the sum of your purchases (less refunds and excluding cash advances, cash-like transactions, interest charges, fees, credit or debit adjustments) on your monthly statement, dividing that amount by twenty-five (25) and rounding up to the nearest whole number. To receive Qualifying Spend, your credit card account must be open and in good standing.

VIPorter Avid Traveller levels are recalculated at the end of each calendar year based on your Qualifying Spend during that year. The \$1 in Qualifying Spend for every \$25 spent on your card will contribute to your overall Qualifying Spend of that calendar year and will contribute to your VIPorter Avid Traveller progression at the time it is awarded. This benefit has no monetary or other exchange value and cannot be sold or transferred. Porter Airlines reserves the right to change or withdraw the benefit at any time.
