

You can now share business banking information directly through **BMO's** online banking platform via improved integration with **Intuit QuickBooks**.

Enhanced security, convenience, and efficiency for best-in-class business banking.

What you can expect:

Smooth and Secure login to QuickBooks Online. No need to worry about your login information being shared as the connection is made directly through BMO.

Access all business banking accounts, credit cards, and Lines of Credit at no additional cost

Download balances and transaction history

Analyze and report account activity using a variety of built-in QuickBooks Online tools

View up to **two years of transaction** details for your chequing and savings accounts

Spend **less time on data entry** as transactions will automatically be pulled into QuickBooks Online

How it works:

- Step 1** Register for BMO Online Banking.
- Step 2** Login to your QuickBooks Online account.
- Step 3** Select Connect Account and choose Bank of Montreal Canada – Business (Deposit, Line of Credit and Credit Cards).
- Step 4** Enter your BMO Online Banking credentials.
- Step 5** Select the accounts you want to connect.
- Step 6** Click connect.

Congrats! You've connected your BMO Online Banking to QuickBooks Online!
