

Important information about the BMO® Prepaid Mastercard®*

The following charges, fees and pricing listed are valid as of **November 1, 2024**, and are subject to change.

BMO Prepaid Mastercard																	
Interest rate	BMO Prepaid Mastercard ("Card") is a purchase card, not a credit card, therefore is not an interest bearing product; it doesn't charge or pay out interest. Please refer to item 3, "Using Your Card" in your Card Cardholder Agreement.																
Minimum payment	Your minimum payment is any debit balance outstanding on your account statement. You must pay the full amount of the new balance (if it is a debit balance) as debit balances on your Card are not allowed. Your Card must have a credit balance on it before you can use it. Please refer to item 3, "Using Your Card" in your Card Cardholder Agreement.																
Foreign currency conversion	The exchange rate for converting foreign currency transactions to Canadian dollars is the rate charged to us by Mastercard International on the date the transaction is posted to your account plus 2.5% for purchases and minus 2.5% for refunds.
